

# Arctic Thaw

## Detergent and Deicer

TECHNICAL DATA SHEET

*Quick cleaning for meat lockers, freezers and coolers.*

This ready-to-use degreaser and detergent is designed for quick cleaning and deicing of all cold storage, meat lockers and freezer areas. Its powerful formula works in temperatures down to  $-20^{\circ}\text{F}$ , so it melts through ice and frost to strip away grease, grime, fats and dirt.

- *Quickly melts ice to strip away grease, grime, fats and dirt*
- *Safe to use on metal, concrete, tile, plastic, rubber and painted surfaces*
- *Ready-to-use formula works in sub-zero temperatures*

### Use On:
