

# Total Bathroom Cleaner

One product to safely clean all bathroom surfaces the natural way.

Citizen Green EFP™ Total Bathroom Cleaner is a chemical-bacterial blend of biodegradable cleaners and enzyme-producing bacteria that work together to safely dissolve and digest organic deposits that cause stains and odors.

- Concentrated foam won't harm plumbing or fixtures.
- Cleans and deodorizes without acids or caustics, leaving a fresh, clean scent.
- Naturally eliminates organic soils and odors.
- Biological action liquifies and removes urine salts.
- Provides continuous enzymatic cleaning action in pipes, drains and waste systems.
- Dissolves soap scum and hard water stains.
- Controls mold and mildew growth.
- Won't scratch surfaces.

## Effectively Cleans:

- |             |                     |                   |
|-------------|---------------------|-------------------|
| ▪ Porcelain | ▪ Glass and mirrors | ▪ Stainless steel |
| ▪ Chrome    | ▪ Painted surfaces  | ▪ Tile            |
| ▪ Metal     |                     |                   |

## Applications:

Citizen Green EFP Total Bathroom Cleaner ideally cleans: toilet bowls, urinals, sinks, counter tops, shower stalls, wash basins, drinking fountains, fixtures.

GreenSense - Continental Research's standards for products considered environmentally friendly. To learn more visit [CitizenGreenEFP.com](http://CitizenGreenEFP.com) and *choose your shade of green!*

# Packaging Label

Designed in an environmentally conscious manner, and manufactured from materials that are biodegradable, toxin free, petroleum distillate free, VOC compliant and contain no ozone depleting ingredients.

Citizen Green EFP Total Bathroom Cleaner is safe for use on all bathroom surfaces, from the walls to the stalls - toilet bowls, urinals, sinks, counter tops and fixtures, tile and even glass and mirrors. A chemical-bacterial blend of biodegradable cleaners and enzyme-producing bacteria work together to safely dissolve and digest organic deposits that cause stains and odors. Leaves a fresh, clean scent as the natural biological action destroys organic wastes without acids or caustics. Provides continuous enzymatic cleaning action in pipes, drains and waste systems.

**DIRECTIONS** Special valve allows can to be sprayed when held in any position. **FOR TOILETS AND URINALS:** Invert can. Spray up under the rim. Allow foam to slide down the sides. Agitate with brush, cloth or sponge. Let set for several minutes and then flush. **FOR OTHER SURFACES:** Spray on. Work foam with brush, cloth or sponge. Rinse lightly if desired. Allow to air dry. **FOR GLASS AND MIRRORS:** Spray on. Wipe clean and polish to a sparkle with a soft, clean cloth. **NOTE:** Initial cleaning of heavily soiled areas may require the use of more aggressive products prior to implementing the regular use of this product.

**CAUTION** Contains Liquefied Petroleum Gas (68476-86-8). Do not puncture or incinerate container. Do not expose to heat or store at temperatures above 120°F.

**FIRST AID EYE CONTACT:** Flush with large amounts of cool running water for at least 15 minutes while holding upper and lower lids open. If irritation persists get medical attention immediately. **EXCESSIVE SKIN EXPOSURE:** Wash with soap and water. If irritation persists seek medical attention. **EXCESSIVE INHALATION:** Remove to fresh air. Seek medical attention immediately. If breathing stops give artificial respiration. **IF INGESTED:** Do not induce vomiting. Seek medical attention immediately.

**HMIS RATING:** Health, 1; Flammability, 0; Reactivity, 0; Personal Protection, B.

**KEEP OUT OF REACH OF CHILDREN**
