

Ox-E²-Power

Spot & Stain Remover Powered With Hydrogen Peroxide

TECHNICAL DATA SHEET

Removes the toughest stains on carpet and upholstery.

100% natural ingredients.

Ox-E²-Power Spot and Stain Remover combines the stain-lifting power of hydrogen peroxide with the superior cleaning ability of D'limonene for 100% natural cleaning power.

Higher pH level

Ox-E²-Power Spot and Stain Remover easily lifts away oil, blood and other tough stains with little to no effort because it is formulated with a more stable form of hydrogen peroxide. Its higher pH level makes Ox-E²-Power Spot and Stain Remover perform better and longer.

Unique anti-soil formula

The natural "fizzing" action of hydrogen peroxide microbubbles lift away tough stains and keep them from redepositing back in the carpet or fabric.

Neutralizes odors and dries tack free

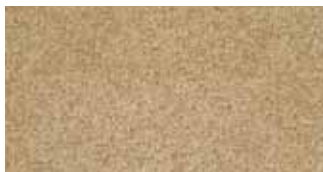

Ox-E²-Power Spot and Stain Remover neutralizes odors as it lifts away stains and is easily vacuumed away with no difference in appearance or feel.

BEFORE:

AFTER:

Surfactant Blend.....	Proprietary
Styrene Maleic Resin	52720-34-0
Sodium Hydroxide	1310-73-2

CAUTION:

May be harmful if swallowed. May be irritating to eyes and skin. See side panel for further precautions and first aid instructions.

KEEP OUT OF REACH OF CHILDREN
NET CONTENTS: One Quart (946mL)

OX-E²-POWER Spot & Stain Remover uses the stain-lifting power of hydrogen peroxide to remove the toughest stains from carpet, fabrics and upholstery. **OX-E²-POWER Spot & Stain Remover** easily lifts away oil, blood and other tough stains with little or no effort at all and does not leave a ghost effect.

OX-E²-POWER Spot & Stain Remover is formulated at a higher pH than other hydrogen based cleaners and contains special anti-resoiling agents that prevent dirt and soils from re-depositing on the carpet. It dries tack-free and the remaining residue is vacuumed away leaving the treated area unnoticeable.

REMOVES STAINS SUCH AS:
Coffee Tea Juice
Grass Stains Ink Blood
Grease Soda and more!

DIRECTIONS: Spray on stain or soil. With a clean dry cloth, working from the outside of the stain towards the middle in a circular motion, gently agitate the surface. Allow to dry to an invisible powder and vacuum away. Always test an inconspicuous area before using.
