

# Xtra-932

## Heavy Duty Degreaser

TECHNICAL DATA SHEET

***Xtra-932 is the advanced method of emulsifying grease and grime for fast, easy cleaning and degreasing.***

Xtra-932 is the strongest degreaser you'll ever need for almost any job.

Xtra-932 is safe to use because it does not contain Butyls or other solvents. Xtra-932 eliminates the problems normally associated with solvent based products.

Xtra-932 contains powerful grease cutting agents formulated to work on the toughest grease, grime and soils. Xtra-932 is the finest and most powerful machinery and equipment degreaser manufactured today.

Xtra-932 can be used on machinery and equipment by wiping or spraying on. Also, use for steam cleaning, power washing, stripping heavy layers of wax buildup on floors or along walls, and a wide variety of other heavy duty cleaning jobs.

Xtra-932 is highly concentrated for economy and can be used in any range of dilution with water, up to 60 to 1, depending on the nature of the job. See the Xtra-932 label for more detailed directions.

### **Use Xtra-932 on:**

- Machinery
- Drill Presses
- Construction Equipment
- Plastic
- Manufacturing Equipment
- Aluminum
- Rubber
- Cars & Trucks
- Tile
- Vinyl
- Stainless Steel
- Painted Surfaces
- Airconditioning Ducts, Fins & Coils

## DIRECTIONS

Dilute XTRA 932 with water. Dilution rate will vary depending on amount or condition of grease. Use XTRA 932 in Continental Research Corporation high impact sprayer and spray directly onto greasy surface. Allow XTRA 932 to work into grease for a few seconds or minutes then rinse or wipe away. For extremely stubborn soil, moderate agitation with brush or cloth may be necessary.

For Steam Cleaning: Dilute 1 part XTRA 932 with 60 parts of water. Will not cake or clog coils or jets.

## XTRA 932™

USE XTRA 932 FOR:

- Degreasing machinery and equipment.
- Power washing and steam cleaning.
- Cleaning air conditioners, ducts, fins and coils.
- Removing wax build-up from floors and walls.
- Preparing surfaces for painting.
- Cleaning and degreasing construction equipment.
