- Food Stains
- Dirt

Applications:

Citizen Green EFP Industrial Degreaser is for use on: Machinery, Manufacturing Equipment, Construction Equipment, Metal, Concrete Floors, Trucks and Buses, White Wall Tires, Plastic and Rubber, and more.

What shade of green are you?

This product meets Designed for the Environment DfE Standards.

The EPA allows safer products to carry the Design for the Environment (DfE) label. When you see the DfE logo on a product, it means that the DfE scientific review team has screened each ingredient for potential human health and environmental effects and the product contains only those ingredients that pose the least concern among chemicals in their class.

Renewable Resource:

Renewable Resource products in the Citizen Green EFP line are formulated from ingredients derived from domestic agricultural sources that are constantly replenished by nature. Safe and highly effective without harming the environment or exposing the user to dangerous chemicals.

About GreenSense Standards:

GreenSense - Continental Research's standards for products considered environmentally friendly. To learn more visit CitizenGreenEFP.com and *choose your shade of green!*

 Do not drink or get in eyes. In case of contact with eyes, flush for 10 minutes with running water. If irritation persists, see a physician. If swallowed, drink several glasses of water and see a physician.

NET CONTENTS: 1 QUART (32 FL. OZ.)

Designed in an environmentally conscious manner, and manufactured from materials that are biodegradable, toxin free, petroleum distillate free, VOC compliant and contains no ozone depleting ingredients.

Citizen Green EFP® Industrial Degreaser is an industrial-strength degreaser and cleaner for use on machinery, equipment, shop walls and floors, metal, concrete, rubber, plastic, and most other hard, washable surfaces. Removes grease, oil, grime, soap scum, wax, food stains and dirt. Use as is for tough cleaning or dilute up to 1 part to 64 parts water for medium to light duty cleaning. Follow dilution instructions for specific cleaning jobs. Contains biodegradable surfactants and degreasers.

DIRECTIONS FOR USE

FOR HEAVY DUTY DEGREASING: Use as is. Spray on. Allow 4 minutes for penetration. Wash with hose or power sprayer.

FOR MEDIUM TO LIGHT DUTY DEGREASING: Dilute 1 part to 64 parts water, or 2 oz. per gallon. Allow 4 minutes for penetration. Wipe with a rag and rinse clean.

CAUTION: KEEP OUT OF REACH OF CHILDREN. Do not drink or get in eyes. In case of contact with eyes, flush for 10 minutes with running water. If irritation persists, see a physician. If swallowed, drink several glasses of water and see a physician.
