

BOB THE SPONGE

SKU #07874 (30/cs)

Use Bob the Sponge to renew hard surfaces. No intense scrubbing needed.

Bob the Sponge removes tough stains on any hard surface. Made with air-infused plastic, Bob the Sponge has two melamine layers separated by a yellow strip that distributes pressure and extends the life of the sponge.

Wet Bob the Sponge and effectively remove permanent marker, crayon, ink, lipstick, scuff marks, fingerprints, luggage marks, soap scum, tea, coffee and wine stains. Will bring the shine back to chrome, brass, copper and stainless steel.

- Innovative 3-layer design for long-lasting scrubability
- Yellow durability strip distributes pressure
- Contains and needs no chemicals,
- Easily removes scuff marks from hand rails, walls, baseboards and more
