

BELLHANGER DRILLS

Available in 18" and 30" Lengths.

Also known as Installer's Feeler Bits, Skylight Drills or Spotlight Drills, Bellhanger Drills are ideal for drilling wire feed holes and wire hanging tasks that you encounter every day.

Bellhanger Drills feature a fish eye hole in the tip of the flute for feeding wire back through the drilled hole. Quality construction allows these drills to penetrate harder surfaces including nails, sheet metal, metal beams and more.

| SKU | Diameter | Overall Length |
|-------|----------|----------------|
| 05349 | 1/4 | 18 |
| 09662 | 1/4 | 30 |
| 05446 | 5/16 | 18 |
| 05447 | 3/8 | 18 |
| 05448 | 7/16 | 18 |
| 05449 | 1/2 | 18 |
| 05656 | 1/2 | 30 |
| 05450 | 9/16 | 18 |
| 05451 | 5/8 | 18 |
| 05452 | 11/16 | 18 |
| 05453 | 3/4 | 18 |
