

# BRUTELUBE HI-TEMP CUTTING WAX

## HI-TEMP MULTI-PURPOSE CUTTING WAX ENHANCES METAL WORK

**BruteLube Multi-Purpose Hi-Temp Cutting Wax** eases penetration of tools going into metal. Anywhere there's metal on metal contact, you need BruteLube. It provides a precision finish with closer tolerances on stainless steel, aluminum, and exotic alloys. Great for drilling, tapping, grinding, sawing, machining, and speed threading.

**DOES NOT SPLATTER LIKE LIQUIDS**

**EXTENDS TOOL PERFORMANCE AND LIFE**

**REDUCES CHIP WELDING**

**SHIELDS CUTTING TOOLS AGAINST FRICTION AND HEAT – RUN COOLER**

**REDUCES WORKPIECE SCRAP**

**DRILLING**

**TAPPING**

Available in portable 2 ounce jar or an economical 16 ounce tub.
