

# Insulated Tools

## Insulated tools for electricians and maintenance workers.

This Insulated Tool Set is guaranteed up to 1,000 volts because it has been safely tested at a 10-fold margin of 10,000 volts. These tools withstand harsh weather conditions without splitting or breaking at temperatures of -15°F. Each tool features a heavy-duty, double dipped, non-slip handle. Sold as one 13-piece set or individually.
