

TARP STRAPS & BUNGEE CORDS

STRAPS AND CORDS FOR GENERAL PURPOSE AND LIGHTWEIGHT APPLICATIONS

TARP STRAPS

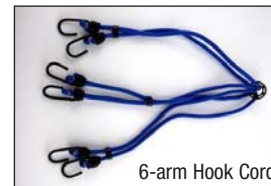

Use on vehicles, gravel trucks, salt trucks and dump trucks.

- Natural rubber straps with zinc plated hooks are durable and strong and keep tarps in place.
- They offer high elastic holding power for light duty applications.
- Will not rot or lose stretch-ability from exposure to the elements.
- Available in 9", 15", 21", 31" and 41". Sold in packs of 8.
- Assortment pack of 3 each of 15", 21", 31" also available.

BUNGEE CORDS

DCT bungee cords will stay put and will not scratch cargo or vehicles.

Available in 4 styles:

10mm Cord

Our best because it has a latex rubber core in a weather resistant braid with a high quality hook and safety hasp.

8mm Cord

Has coated steel hooks and should be used for lightweight applications.

8mm Stretch Lock Cord

Allows the cord length to be adjusted and tightened.

8mm 6-arm Hook Cord

For securing larger cargo loads.
