

HOOK MAGNET

POWERFUL HOOK MAGNET OFFERS MULTIPLE USES

SKU# 12685

Shields the magnetic force when not in use.

Small in size, but big on strength, the Hook Magnet can hold or lift up to 100 lbs. This mighty handheld magnet is the right size for a number of applications, including:

- **USE AS A HOOK TO ORGANIZE EQUIPMENT. IT'S IDEAL TO HANG THE COMFORT2GO ANTI-FATIGUE MAT**
- **USE AS A HANDLE TO LIFT AND CARRY HEAVY OR AWKWARD ITEMS, INCLUDING SHEET METAL**
- **USE TO HANG V-BELTS OR EXTENSION CORDS**
- **USE TO QUICKLY CLEAN UP SPILLED NUTS, BOLTS, NAILS, AS WELL AS SEPARATE METAL FROM NON-METAL ITEMS**
- **EASY GRIP RUBBER HANDLE**

No toolbox or work station is complete without the Hook Magnet.

Recommended for maintenance workers, carpenters, drywall installers, mechanics – anyone interested in making their job easier!
