

MAGNETIC TOOL BAR

Powerful Magnetic Tool Bar Holds 20 Pounds Per Inch!

Safely holds and organizes hammers, wrenches, chisels, screwdrivers and all metal tools. Makes them instantly accessible.

Classic chrome with red accents adds functionality as well as a touch of style to your shop.

Mounts easily to a wall or workbench.

Perfect for use in Garages, Service Stations, Workshops, Commercial Kitchens — even inside trucks and vans!

Permanent magnetism is guaranteed under normal use.

No more looking for tools!

Available in 24" or 13"
