

RATCHETING/LOCKING CHAIN PIPE CUTTER

Ratcheting Pipe Cutter

Cuts pipe in inaccessible areas:

under vehicles, against walls or ceilings, in holes, under sinks, and more.

Cuts large pipe that small pipe cutters won't:

- *exhaust pipe*
- *drain pipe*
- *fence post*

Cuts pipe from 1" to 4 1/2" in diameter

Cuts virtually all pipe materials including:

- *stainless steel*
- *copper*
- *PVC*
- *and other hard materials*

Squeeze locking action holds tool closed:

- *locking action eliminates hand gripping effort*
- *ensures perfect tracking every time*

Chain Pipe Cutter Performance will be Enhanced Even Further in Conjunction with DCT BenchChem Cutting Oil.
