

SELF ADJUSTING WIRE STRIPPER

HEAVY DUTY, EASY & AUTOMATIC

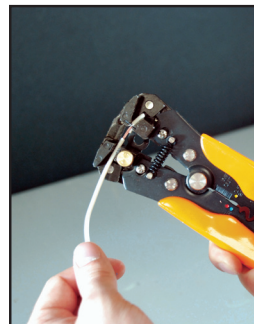

Three Tools in One - Strips, Crimps & Cuts!

FEATURES:

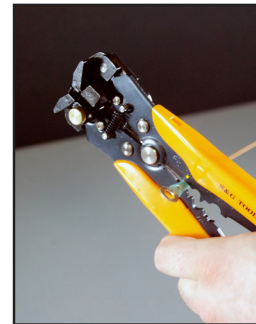

- Automatically self-adjusts to strip solid or stranded 10-26 gage wires.
- Works great in confined areas.
- Removes insulation without damaging the conductors, making it great for stripping in the middle of the wire for T-Tap.
- Has adjustable stripping tension.
- Neatly and tightly crimps terminals 22 through 10 gauge.
- Crimps insulated and non-insulated terminals.
- Makes a fast, clean cut.
- Steel construction with insulated plastic handles.
